SHAVER OUTLET 220V/240V INPUT

Technical

Finish	Brushed Stainless Steel
Insert Colour	Black
Volts (V)	220/240V
Fixing Centres	120.6mm
Width (mm)	86
Height (mm)	146
Standards	BS EN 61558-2-5:1998
Information	This design incorporates a double wound isolating transformer rated 20VA at 230 or 115 volts and meets BS EN 61558-2-5: 1998 making it safe for use in bathrooms. Insertion of a shaver/toothbrush plug automatically switches on by energising the primary side of the isolating transformer - removal automatically switches off. The transformer is protected against overload by an automatic solid state overload device with automatic resetting.
